This course is designed to give information on how to develop early literacy skills. The theories and strategies presented are based on the latest early literacy research from Susan B. Neuman and Kathleen Roskos (2007).

An optional face-to-face meeting for the course will be held on October 20th from 7:00-8:00 PM in the Livingston Lord Library on the MSUM campus in Room 222. You may park in Lot U off 6th Avenue South or in Lot C off 9th Avenue South.
