

Digital Painting Introduction

Art 499/599

Fridays, June 12 – July 17
(no class July 3)

1:00 – 4:00 pm
Center for the Arts 167

This course will cover a variety of contemporary digital art. Students will learn basics in both Corel Painter and Photoshop. They'll be able to troubleshoot their needs and find solutions using digital tools.

Instructor: Andy Stalboerger

Non credit: \$100.00 (CEUs awarded upon request for an additional \$10.00 fee)

One credit: Undergraduate = \$145.00
Graduate = \$200.00
