What to expect

In today's growing and changing supply chain management field, to maintain your competitive edge, you must continuously increase your knowledge, skills, and expertise.

Border States Electric is one of the largest independent electrical distributors in the United States providing products and services to the construction, industrial, utility and data communications markets. They operate 57 branch locations in 13 states and Mexico, with corporate headquarters in Fargo. Jason Seger will speak on his experience managing various elements of the supply chain for the past decade, including over \$110 million in inventory from over 1,400 suppliers. www.borderstateselectric.com

Learn about certification training in the area of Supply Chain. Dr. Vinod Lall has taught and consulted in the area of supply chain management for over 10 years. He will speak on the Certified Supply Chain Professional training being offered this fall in partnership with the Red River Valley Chapter of APICS http://appserv.mnstate.edu/continue/CertifiedSupplyChainProf/CSCP_Default.htm

Who should attend?

Supply Chain professionals including CEOs, General Managers, CFOs, CIOs, Middle Managers, Frontline Supervisors and anyone who deals with the supply chain of your organization.

Speakers:

Jason Seger, Director of Inventory and Operations, Border States Electric

Vinod Lall, Professor of Operations and Supply Chain Management, Minnesota State University Moorhead
